Height Capacity	15.00 in / 381.00 mm
Width Capacity	6.95 in / 176.53 mm
Depth Capacity	21.00 in / 533.40 mm

WHAT’S INCLUDED

DESCRIPTION

The Side Mount 174 is made from heavy duty steel and powder coated black for a nice smooth finish. Mount your computer tower to a wall, off the side of your desk, and out of your working space to be more organized and get more work done.

INSTALLATION

To install the SCM-174, locate a wall stud nearest to the location you would like your device mounted. Line up the two center mounting holes with the wall stud, and using a pencil, trace all four hole points. Using a 3/16” drill bit, drill a hole at each point traced. Insert the provided plastic wall anchors in the pre-drilled holes, and secure the SCM-174 to the mounting surface using the 1-¼” black screws.
